KANSAS CITY ADDS SPORTS

According to H. G. Danford, the interscholastic league program in Kansas City has recently been broadened to include swimming, volleyball, and softball. In addition to these three sports the high schools compete in football, basketball, track, golf and tennis.

The extension of the program to include swimming, volleyball, and softball was the result of the following philosophy of phy-

sical education:

A.—That there are definite educational values inherent in properly conducted interscholastic athletics.

B.—If the above is true of a few sports it is doubly true of a number of sports.

C.—That there is need for more emphasis upon those sports that possess leisure time values for adults.

D.— That the boy who possesses great ability in a game such as volleyball, has an equal right to achieve recognition with the football and basketball star.

E.—That human nature being what it is, the best way to dignify a sport in the mind of the boy and the mind of the teacher and secure the highest type of instruction is to place that sport on the interscholastic calendar.

Dear Caps

Thanks for your letter of the 27th instant.

When you select samples to send us we would be interested in seeing the 48-thread and 21-thread tarred nets.

Very sincerely yours.

Dear Doc:

I have your letter of June 25, and we could not ship the Tennis Nets until after July 1 anyway, as the tax goes off after that date and the price was made without including the tax.

The 42-foot Nets are the standard doubles court Nets. We will be glad to send you samples of any of them in which you are interested after the first. If you will advise us which ones you would like to see we will make a selection and send for your approval, and subject to return.

Hope the buying situation gets worked out, so that we can cooperate with you in every way to our mutual advantage.

Yours very truly,

KANSAS CITY SPORT GOODS CUMPANY

Dear Coach---

Thanks for sending along that allesports data. Glad to put it out among our local papers. Didn't dream we had done so well. Here's wishing you a good time on your vacation, whenever it comes. We won't take one this summer. Just built a house. Also, our kiddies are too small to leave(boy 5 years, girl 16 months). Bruce just back from Crede, Colo. with 80 nice trout.

If you ever come through Norman, stop and have a meal with us. My wife is the best cook on the faculty.

Sincerely,

Harold.

Dear Capr

We've been waiting to hear from you regarding the termis nots. We expect to buy some before school starts next month. What do you have?

Sincerely yours.

Dir outor of Physical Education, Varsity Basketball Coach, Mr. Harold Keith.
Director of Publicity.
University of Oklahoma.
Norman. Oklahoma.

Dear Harold:

Mr. Dill wrote a story on Oklahoma winning the allsports championship this year, and he also called attention to the fact that in the 15 years Oklahoma has been the winner most of those years.

I am sending you some data which I thought might be of help to you in publicizing the prowess of the University of Oklahoma in your own state. You will notice that 1937-38 was the first time that Kansas finished sixth in the pentathlon sports championship.

With all good wishes, I am

Sincerely yours,

Dear Mr. Allen:

We enclose our new Football and Basketball sheet. We ask you to take just a few minutes to look it over. It carries some excellent values and we will appreciate some of your business. You take no chances as we gladly ship subject to your inspection and approval and subject to return at our expense if the goods are not satisfactory on receipt. If you do not do the buying, we ask you to pass this on to the buyer for this type of equipment. If your institution buys on bid, we will appreciate receiving your requisitions or invitations to bid.

We ship to every state in the United States and to many of the largest Colleges and Universities and we will gladly give you as many references as you may desire. We can save you some money and we can please you. The enclosed envelope does not require a stamp for reply. Drop us a note on the bottom of this sheet. If you do not see what you want tell us what you need. We have some real bargains in Golf, Tennis, Baseball, Games and Gym Clothing also.

May we have your inquiries or orders?

Sincerely,

Kansas City Sport Goods Co.

Dear Mr. Koelers

I am enclosing a letter I have received from Mr.
James Shepherd, who was enrolled in summer school this
year.

I should like to have your advice and counsel regarding an extension course in Kansas City, such as Mr. Shepherd mentions. I believe there is a growing interest in our department. The course to which he refers is #176. Tests and Measurements in Physical Education, which gives graduate credit.

I shall be glad to hear from you at your convenience.

Very sincerely yours,

Director of Physical Education, Varsity Basketball Coach.
