Dear Doc:

I have your letter of June 25, and we could not ship the Tennis Nets until after July 1 anyway, as the tax goes off after that date and the price was made without including the tax.

The 42-foot Nets are the standard doubles court Nets. We will be glad to send you samples of any of them in which you are interested after the first. If you will advise us which ones you would like to see we will make a selection and send for your approval, and subject to return.

Hope the buying situation gets worked out, so that we can cooperate with you in every way to our mutual advantage.

ET:G

Yours very truly,

KANSAS CITY SPORT GOODS COMPANY
