

Dear Coach-----

Thanks for sending along that all-sports data. Glad to put it out among our local papers. Didn't dream we had done so well. Here's wishing you a good time on your vacation, whenever it comes. We won't take one this summer. Just built a house. Also, our kiddies are too small to leave (boy 5 years, girl 16 months). Bruce just back from Crede, Colo. with 80 nice trout.

If you ever come through Norman, stop and have a meal with us. My wife is the best cook on the faculty.

Sincerely,

  
Harold.
