

July 28, 1938.

Mr. Harold Keith,
Director of Publicity,
University of Oklahoma,
Norman, Oklahoma.

Dear Harold:

Mr. Dill wrote a story on Oklahoma winning the all-sports championship this year, and he also called attention to the fact that in the 15 years Oklahoma has been the winner most of those years.

I am sending you some data which I thought might be of help to you in publicizing the prowess of the University of Oklahoma in your own state. You will notice that 1937-38 was the first time that Kansas finished sixth in the pentathlon sports championship.

With all good wishes, I am

Sincerely yours,
