Mr. Guy V. Keeler, Secretary,
Bureau of Extension Classes,
University of Kansas.

Dear Mr. Keeler:

I am enclosing a letter I have received from Mr. James Shepherd, who was enrolled in summer school this year.

I should like to have your advice and counsel regarding an extension course in Kansas City, such as Mr. Shepherd mentions. I believe there is a growing interest in our department. The course to which he refers is #176. Tests and Measurements in Physical Education, which gives graduate credit.

I shall be glad to hear from you at your convenience.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
