Hoisington, Kansas.

Dear Esther:

I ask pardon for the delay in answering your letter of April 5th, but I have been out of town much of the time.

I suggest that Mr. C. C. Hardy, of Hoisington, can give you more information than I could. He knows just as well as I do, and it would be easy for you to consult him. I would like to write you more fully, but I have just returned from one trip and am leaving on another one.

Six-man football and touch football are good games for high school students.

Sincerely yours,
