Director Physical education,
University of Kansas,
Lawrence, Kans.

Dear Coach-----

I am awfully sorry Mac neglected to provide you
with that group picture.

Tom handed me your letter and I immediately
mailed one to Doyle, marking it "material for
basketball guide" as you suggested.

How is everything at Lawrence? Give my regards
to C.E. McBride next time you see him. Plenty
hot here but we are going right ahead getting ready
for football anyhow. It won't be long.

Hurriedly yours,

Harold Keith.
