

U. S. ARMY AIR FORCES
ROBINS FIELD
WARNER ROBINS, GA.

list of soldiers I have met from Kansas. This one belongs to the cadre here and lives in the same barrack as I. His home is a few miles west of Lawrence and is a friend of Ralph Schacke and the Gibbons. He is a follower of Kansas U. sports and really enjoys reading your Kansas news paper the "Jayhawk Rebounds." We have my copy each month, but since I am slated to leave here in the near future he would like to have his name added to your mailing list if at all possible. He is Sgt. John C. Pierson, 4525 A.A. F. Base Unit (Signal School) Robins Field, Georgia.
