

The President and Executive Committee
of the N. C. A. A.

#2

March 13, 1933

Secretary Nicholson, preferably by wire, with the understanding that--
the vote being favorable--we may proceed at once with the organization
of a new committee.

As noted above, I have definite assurance from the High School
Association that they will join us in this movement. I have no means of
knowing what the actions of the other organizations may be.

The National Basketball Coaches Association has made arrange-
ments to meet this year on April 6 and 7. The Rules Committee plans to
meet this year on April 8 and 9. Both meetings are to be held in New
York. This explains the need for immediate action.

Respectfully submitted,

(signed) L. W. ST. JOHN,
Chairman, N. C. A. A.
