

To the High School Principals and Superintendents:

Dear Mr. \_\_\_\_\_:

The newly organized Department of Physical Education in the School of Education at the University of Kansas, offering a four-year major course, <sup>now</sup> is in its second year and we feel that much progress has been made. We have been slowly fitting ourselves to meet the needs and demands of the state. Our primal purpose is to serve our high schools of Kansas in this specialized field of service. ✓

Graduate Work

Graduate work in physical education was begun last fall, and now the following courses have been approved which give graduate credit.

- 100. Principles of Community Recreation, 3 hrs.
- 200. Theory and Practice of Athletic Training, 3 hrs.
- 201. Advanced Basketball, 3 hrs.
- 202. Administration of Physical Education, 3 hrs.
- M294. Content and Method of Physical Education, 3 hrs.
- 300. Special Problems in Physical Education, 2-4 hrs.
- 312. Seminar in Physical Education, 3 hrs.

*combined* It is our aim to establish a well-planned program that will lead to a <sup>an education</sup> Master's degree with a major in physical education.

Baccalaureate Degree

Kansas is conspicuous by being one of ten states that does not have state legislation providing for physical education, and one of twenty-five not having a state director of physical education. In our endeavor to train young men and women to fill the teaching and coaching needs of the high schools of Kansas, <sup>planned</sup> an undergraduate curriculum for a major in physical education has been ~~set up~~, leading to the degree of Bachelor of Science in the School of Education.

Sixty-Hour Certificate

*We dept of* Two courses in physical education are being offered which students may apply on the work required for the Sixty-Hour Certificate, namely, Elementary School Playground Activities and Personal Hygiene and Community Health, each for 3 hours credit.

Job Analysis Survey

We are endeavoring to make a job analysis survey concerning the needs for physical education teachers in the State of Kansas, and we would heartily welcome your cooperation in filling out the attached questionnaire with criticisms or suggestions that in your opinion would mutually benefit us in offering a more fulsome program.

Very sincerely yours,
