Mr. J. D. Shinkle, Superintendent
Roswell City Schools
Roswell, New Mexico

Dear Mr. Shinkle:

Your letter of May 10 inquiring as to a history teacher and an assistant athletic coach for your high school was received this morning.

Dr. Allen is out of town giving a series of commencement addresses at different high schools in western Kansas and will not be back to the office until the first of next week. Upon his return I will refer your letter to him and he will give you an answer then.

Sincerely,

MF

Secretary to Dr. Allen.
