Mr. H. C. Van Voorhis, Superintendent  
Medicine Lodge Public Schools  
Medicine Lodge, Kansas

Dear Mr. Van Voorhis:

Your letter arrived just at the time we were leaving for Oklahoma City and just after we had played in the tournament in Kansas City.

I assure you I will keep your letter in the strictest confidence. I am well acquainted with your high school at Medicine Lodge. I spoke out there about five or six years ago. You have a fine school and you are located in a very progressive and aggressive community.

There are a number of good men returning from the service who have played under me and I will be happy to suggest someone to you in the very near future.

Last night we played at Manhattan and today at one o'clock we are leaving for Lincoln, Nebraska, and so I would rather answer your letter fully after I have had some time for reflection.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
