Dear Dr. Allen:

Up to now, neither of the people whom you recommended for basketball coach for Emporia has applied for the position.

We are still looking for someone. It frequently happens that a person who has been a substitute on a team will make as good a coach as will the regular or even the star player. The important things are that he knows basketball, is highly intelligent and is a man of excellent character.

We hope you will keep us in mind and that sometime in the near future you may have someone to recommend.

Yours truly,

W. M. Richards, Supt.
