

November 3, 1943.

Dr. L. L. Boughton,  
Gardner, Kansas.

Dear Dr. Boughton:

Thank you so much for your kindness in bringing me the two pounds of delicious honey in the honeycomb. It was delightful and I enjoyed toast, milk and honey to the fullest. Please convey my kindest regards to the Cramer brothers for this splendid gift.

Appreciatively yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
