Dear Mr. Bailey:

I am happy to reply to your inquiry about the one-goal basketball game, which we call Goal-Hi.

The equipment for Goal-Hi is manufactured by the Fred Medart Manufacturing Company, of St. Louis, Missouri. A copy of the rules for the game accompany each standard.

I am sending your inquiry on to the Medart Company, asking them to send you full particulars, and if possible have their representative in your vicinity call on you.

Very sincerely yours,
