

the 15<sup>th</sup> of this month on a fullough  
and I know he will be in Lawrence  
at least for one of those basket ball  
games that following week. He  
is very happy in his work and  
seems to like it.

You remember Heath,  
he has been in the south Pacific a  
year next month. He is a Ensign in  
the Navy. He is doing patrol duty of  
some kind. We receive some very  
interesting letters from him and  
he is having quite some experiences  
like all who are there. Ross, our  
third son in service, is at Camp  
Walters, Texas. You know Ross that  
one semester at N. U. before going into  
the service. He and Charles Moffett came  
to school together.

Again, we thank  
you for remembering us.

Sincerely

Mrs. Paul Baker.
