Dear Mr. Allen

I don't know whether you will remember me or not but I've heard a lot about you and your basketball teams and would like to play for you this season. I am in V-5 at Liberty, Mo. and graduating in about a week. I thought maybe you might have some influence of helping me to go to W. J. S. school at Lawrence.

I played basketball at West Texas State college finishing in 1942 and playing one year of professional ball in the east last year.

If it is possible for you to help my being sent to Kansas U & I would appreciate very much and in return might help you on your team this season.

Sincerely
Price Brookfield
