

I see in the paper where
K. U. pulled one out of the
bag this last Saturday by
beating Warrensburg Teachers
13 to 12.

I sure would like to
see the Sun Bowl game
down here New Years Day
but probably can't. The
only games I have seen
this year are a couple of
high school games.

How is your basketball
practice coming along? I
wish I was going to be back
this year as probably quite a
few of the other boys would
like to be, but we do have it to look
forward to.

I received a wedding
announcement this last
week from Johnny B. Fisher.
I must close and get this mailed.
Thanks again for the rebounder
I look forward to every one of
them.

Sincerely yours
H. W. Hart
