Jack graduated from Kansas State Teachers College of Emporia in 1930 with a major in physical education and a minor in biological sciences. When engaged for the ASTP work Jack was working toward a Ph.D. degree at the University of Kansas. He coached and taught physical education six years before going into administrative work. Austin played quarterback for Coach Fran Welch, and also played baseball.

Gasoline restrictions and the inability of the baseball teams to draw on college diamonds will necessitate the scheduling of games with service teams. But the students who are in school who have an aptitude for baseball will have an opportunity to play the game of their choice and at the same time earn the right to try for a varsity letter.
