Coach Glen E. Henderson
Friends University
Wichita, Kansas

Dear Coach Henderson:

We are to play Iowa State at Ames on April 25 and 26 and we are terribly shy on pitchers; therefore, it would be impossible to play you on April 24.

We might play you either May 2 or 3, preferably May 2, and it would be necessary that we play you April 16 at Wichita because I am to be back here on the morning of April 19 for the Kansas Relays.

Please let me hear from you as to these possible dates.

I believe the \$50.00 that you mentioned would be satisfactory.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
