Mr. Morris Alder
Assistant Manager
Oklahoma Biltmore
Oklahoma City, Oklahoma

Dear Mr. Alder:

Yes, I remember you very pleasantly and I have had a lot of good laughs out of our previous correspondence.

We will be very happy to be with you for our baseball games on April 17 and 18. However, I do not believe that it will be possible for us to arrive in time on the 16th. We will be enroute, but we will be with you on April 17. On April 18 the boys may wish to drive back to be present for the Kansas Relays on Saturday morning the 19th. However, we can take care of that when we see you. You may count on our being with you on the 17th.

We do not desire any special feeding or special meals for a baseball team. Our baseball club is much below par from a playing angle, but I believe they will bat the top of the league when it comes to the eating side of the game.

It will be a pleasure to see you again and renew our acquaintance.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
