Mr. Frank Myers
Baseball Coach
Kansas State College
Manhattan, Kansas

Dear Frank:

While at the office last night I received your wire reading as follows: "Why not April 21 and 22 open on both schedules."

I find myself torn between two schedules; my speaking schedule and my baseball schedule. I might state that I took baseball without any extra remuneration whatsoever from the Athletic Association because baseball had no coach and the boys desired me to coach them. On the other hand, I had made several speaking dates prior to my baseball schedule, and I naturally could not ignore the demands made on me as baseball coach.

On the 21st I am to speak at Wichita at a city-wide father and son banquet, sponsored by the Y.M.C.A. and the Hi-Y Club, and on the 22nd of April I speak at the Holyrood, Kansas High School Athletic Banquet. You ask, "What about your baseball team?". Well, I do the very best I can under both situations, and it is a pretty tough job. I am sorry that conditions are as they are.

If you will kindly mail me your baseball schedule I will try to fit in some dates if at all possible.

With kindest regards, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
