Mr. Tom Van Cleave,  
604 Commerce Bldg.,  
Kansas City, Kansas.

Dear Tommy:

Don't take time to read all of this but I wanted you to see that we are still trying to keep in touch with our Kansas athletes, wherever they are. They drop me a line, and while I endeavor to answer all their letters, I struck upon this plan in getting not only the information regarding athletics but I will also be able to give the different athletes the address of the other fellow. We will also mention their activities, which will be a point of interest to the boys in the service.

I am also sending a letter to Tom, Jr., as I know how vitally interested he was in the success of our basketball team and the boys from Kansas City, Kansas.

Some day I am going to drop in and buy you and Maurice Breidenthal a luncheon if I can catch you two fellows together. I have been pretty closely tied down here with our compulsory program, but it is a funny fellow that can't get away for a day now and then.

With the Allen's kindest regards to the Van Cleaves,  
I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
