Mr. Norman Johnson
529 South Frederick Street
Cape Girardeau, Missouri

Dear Mr. Johnson:

I suggest that you write to the dean of the Graduate School of the University of Kansas and ask for an application blank to enter that school. I am sending you a pamphlet which describes the prerequisites and the courses we offer for work in physical education at the graduate level. We offer a joint major, one half being in physical education and the other half in education.

If you plan to enter the University of Kansas this fall, I would suggest that you get your Certificate of Entitlement and, if possible, try to make some arrangements for a room, either by coming to Lawrence or writing to the University Housing Bureau. Our veteran's office will take care of you when you arrive, provided you have your Certificate of Entitlement, but you should, by all means, make arrangements for your room as living quarters will be at a premium this fall.

After looking over the pamphlet I am sending you, if you have further questions, please feel free to write me.

Sincerely yours,

Henry Shenk
Director of Physical Education
