Mr. F. C. Allen  
Kansas University  
Lawrence Kansas.

Dear Mr. Allen:

April 16 is right in the midst of our spring vacation but I think most of the boys will stay in town so that date is O.K. for a baseball game in Wichita. Would you like to play on Sat. April 19 on your return from Okla.? I was just thinking we might get a little better turn out <sup>there</sup>. Of course we don't charge for the games so it won't make any material difference. We play Haskell at Lawrence on April 25. Would it be possible for us to play you there April 24.? We could come to Lawrence the following week end May 2 or 3 or May 16 or 17.

What would you say to a \$50 guarantee on a home and home basis?

Sincerely yours,  
Glen E. Henderson
