

a service man from Lawrence -  
you can see I'm looking forward  
to returning to Lawrence.

I talked over the phone to Bill  
Kent of Lawrence the other day - he is  
the Washington correspondent for the  
Chicago Times. He is having a piece  
of a time finding a suitable home.

Also ran into Jim Petty & Keenan  
of the K.M. Economics dept & now  
Lts. in the Navy. Both are here in the  
Pentagon.

Lots of power to yours 1945 basketball  
team. Be watching the sports page  
for the scores. Thank you again  
for the letter.

Sincerely

Alfred Jacobson
