Mr. Glen E. Henderson
Director of Athletics
Friends University
Wichita, Kansas

Dear Mr. Henderson:

It would be a pleasure to play Friends University, but frankly, we have the poorest outlook for the diamond sport that we have had for quite sometime.

What would you suggest in the way of a guarantee? We are playing Oklahoma on the 17th and 18th of April. Could you play at Wichita on April 16?

I am enclosing our baseball schedule so that you may look it over and find a time convenient to both of us, and perhaps one that will work in with your plans to play Haskell here at Lawrence.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
