OFFICE OF THE DIRECTOR

Dear Hog:- Here's a clipping that should be of interest to you. Good work. More power to you. I'm glad to see someone with his feet still on the ground in this game, and with courage enough to speak out.

Hope all is well with you and yours. Our daughter is married and I'm a grandpa. Our son is over in the European theater of war.
With kindest regards,
Sincerely, L. E. Jones
