

February 28, 1945.

Mr. Ogden Jones,
University of Kansas.

Dear Ogden:

The varsity basketball team and its coach are eternally grateful to you for your exceptional service rendered us in making the trip to Leavenworth.

There are not many fellows that would put themselves out to do the things you do for people. For this and many other favors, I wish to say thank you a thousand times.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
