Miss Martha Jean Jessen,

Wichita 8, Kansas.

Dear Martha Jean:

I am happy to have your letter of the 27th instant and to know that you anticipate returning to the University.

I feel sure you will have no difficulty in obtaining as much employment as you desire. I imagine you plan to enroll in the November term. Most of the part-time jobs for the five-weeks term which began this week, have been filled, but between now and the first of November you will have ample time to get located.

Miss Marie Miller, Assistant to the Adviser of Women, has been notified of your desire to return to the University, and you will hear from her very shortly in regard to employment.

With best wishes, I am

Sincerely yours,

FCA:AH

Dear Mr. Allen,

My father and I have decided that I should return to K.U. and get my degree. I went two years then came to Wichita and finished a secretarial course at a business school here, and have been working here since February, 1942.

I thought perhaps you might know of an opening in one of the offices on the

Hill where I could do
secretarial work. In that way
I could help myself and also
gain experience.

Charles Moffett seems to be
doing fine in football. I see
his name in the paper every
now and then.

I'm hoping to see some
good basketball games this
winter if I return to school.

Sincerely,

Martha Jean Jessen

OFFICE OF THE ASSISTANT TO THE PRESIDENT
LOS ANGELES

Dear Phog:-

Thanks for your letter and the copy of the letter to Floyd Reble advising of his election to Lawrence Rotary. I know that Floyd will derive much pleasure and value from his associations in Rotary, and I am also certain that he will contribute much to the organization. You can be proud to be chosen the President of such a fine group.

My golf score is slowly improving, and I play about twice a week. It's a great game but I can't give any rational reason why any one would continue to play the game.

Write when you can - your letters are always welcome.

Sincerely yours and
Ex-rotarily

Mr. J. J. Jakosky,
Asst. to the President,

Dear Jay:

Thanks for the letter including the dope on golf. It is very clever and I can use parts of it at certain times.

I played golf with Don Swarthout last Saturday afternoon and he told me he had a very wonderful visit with you and your family.

Also, I accept with thanks the greeting of Prof. William R. LaPorte. I am happy to reciprocate his kind thoughts.

And the good news regarding U. Floyd Rible. I asked Corlett Cotton to induct him into Rotary Monday noon, and now Floyd is a full-fledged Rotarian and we are immediately putting him to work. A carbon copy of my letter to him is enclosed.

Thanks for your good wishes. We hope that we may be able to see the Jakoskys in the not too distant future, but we can't figure out how we are going to do it at present.

With all good wishes, I am

Rotarily yours,

Dear Dr. Allen:

Your splendid letter of August 25th is most sincerely appreciated. I hope your travels will bring you to the West Coast in the not too far distant future and that we may have the pleasure of playing some of the local courses here. I am certain my game would be considerably improved if I had the benefit of a good coach and friend.

Both Kathryn and I would look forward to seeing you and Mrs. Allen. With kindest personal regards to you both, I am
