

April 7, 1943.

Mr. Wm. C. Johnson,
1112 Sanford,
St. Louis, Missouri.

Dear Bill:

I am happy to reply to your request contained in your wire of April 6th. I sincerely trust that you will get what you desire from the Navy. I am sending you three copies to be used as you deem necessary.

Bobby came home from Philadelphia for a week between his medical grind, and Eleanor is graduating with a major in psychology at Penn this June. Jane is in Chicago, the wife of a Naval Aviation lieutenant, Mary is in Palo Alto with her family of three children and her husband, Pete Hamilton, and Milton is a lawyer, having taken his LL.B. last summer after graduating from the School of Business in 1936. He is with the Hercules Powder Company as assistant to the special investigator. Isabel Perry Allen and Mit have one child, Judy, five years of age. They live here in Lawrence and have bought their own home, but Mit may be called along with the married men with one child some time in July, August or September.

Mrs. Allen asked to be remembered most kindly to you and your lovely wife. I enjoyed the fine visit with you in St. Louis when we played St. Louis University.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
