

12/7/42

Dear "Doc":

I just saw a friend of yours and we were able to talk a whole two minutes about our former days at K-U. The individual was, ^{Lieut.} Larry "Moon" Mullins and the scarcity of time was occasioned by the vast number of people waiting in line to talk to him. Moon is in St Louis for 3 days interviewing prospective teachers of physical ed. in the various Naval Training schools and it seems that a great number of coaches have and are applying for a part in Tom Hamilton's program.

In my application, Doc, I took the liberty of putting your name
