

September 7, 1943.

Mr. Harry W. Johnson,
1130 Kentucky Street,
Lawrence, Kansas.

Dear Harry:

I noticed that you were not at class this morning, but I believe you have had enough make-ups so that it will not be necessary for you to come any more.

However, in order to put first things first, I hope you will return to the office the Foot Arch Normalizer at your early convenience.

Very sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
