Coach Louis E. Menzo,
Iowa State College,
Ames, Iowa.

Dear Louis:

I have just called Owen (Chili) Cochran at Manhattan, and he states that he is quite positive he is free Saturday night. He is to notify me when we get to Manhattan, but I wanted you to know that we have tentatively hired him.

He was at home when I called him, and he said his schedule was at the college, but he was quite sure that he could work, so we will just say Peters and Cochran. If anything should happen I will notify you.

Now, in the line of the old foxy coaches, like Elmer Berg and Hugh McDermott -- "Now, Louis, don't be too hard on us". Isn't that a terrible line for me to put out to you, Louis?

Until Saturday, when I'll be seeing you, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
