

March 18, 1943.

Dr. Forrest C. Allen,  
University of Kansas,  
Lawrence, Kansas.

Dear Phog:

I have been intending to write you for sometime merely to add to the many other congratulatory communications I know you have received.

It did not take a national poll to convince a lot of us old timers. We have known for years your abilities which other people are just admitting.

May I add, too, I hope you have many more great basketball teams and I know you will. Best wishes and good luck.

Yours very truly,

*Earl -*
