

We all know prices here have gone up. Dr. Brown told us in Chapel the other morning, that the burden of maintaining these notes as they become due is so heavy that she doesn't know exactly what step to take — so our Dean who led us in the drive last year suggested that all of us write Ten friends and ask them to give us at least one dollar each. I would so very much appreciate it if you would send us a contribution for this worth while cause.

We are trying to raise this money by December 1st.

Please make your check payable to the Gymnasium Fund or just send me the donation in a letter and the Dean will write you and thank you.

— I just know you won't let me down

Sincerely,

Hugh Johnson

P.S. I know you will have a real basketball team this year — hoping you will meet with much success. Is Bob going to school in Pennsylvania this year?

Maybe you don't remember me — but I went to school in Lawrence until the tenth grade. I have sold you vegetables and my mother has done considerable sewing for you and your relatives.

I hope to see the Jayhawkers in action if I am able to get home in January.
