

It appears as though the basketball season is upon us, and I suppose that as usual, K U will come through with a better than usual team. No doubt it will be somewhat better this year with "Cappy" back, and the better than average stock of sophomore material. I will follow the team as usual even though I am about a thousand miles away. I read the Star daily, and keep right up with the progress. Was glad to see that we beat K State. Incidentally tell Gwinn "hello" for me if you see him sometime.

Well, I suppose that I had better quit bothering you for now, and get back to work myself. I certainly would be glad to hear from you on this matter, but if you find that you do not have time it will be o k.

Sincerely yours,

*Tony James Jr.*
