Mr. R. C. Jackman,
Bowersock Mills,
Lawrence, Kansas.

Dear Mr. Jackman:

Some of our men employed here at the University wanted to buy the hay on our intramural field, and after Mr. Bayles took what he wanted, we found that we had disposed of all of it. I just wanted to explain to you the reason for not calling you about buying some of the hay.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
