Dear Doc:

Your letter regarding the golf balls certainly came at an inopportune time. "That Irishman named O'Donoghue" isn't with us any longer and the golf ball situation is just about the same. Since moving our stock to Chicago they have even put me on the "buying" basis and Coach, that's bad.

I will make this promise however--If and when the golf ball situation eases just a little I'll see that you get "some" and that means two or more doesn't it ?

I don't know tho these promises might be the reason "That Irishman named O'Donoghue" isn't with us anymore.

Will try to see you soon and best wishes--
