Dear Earl:

I acknowledge receipt of your good letter of the 26st instant and I am also acknowledging receipt of those golf balls guaranteed to go straight, not to cut, rip, ravel, or run down at the heels. That is, if we hit them properly. Well, you know I have got a lot of nerve to hit some of my friends for some things, so why shouldn't I hit a golf ball for a run or a hole in one or whatever should be done with a golf ball.

I can't guarantee my treatment to make you tell better yarns to the sports writers than what you have been telling, but I guarantee to fix up that hip if you drop around here.

Thanking you for your contribution, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
