Mr. Donald L. Jacka,
119 Merchant Street,
Emporia, Kansas.

Dear Don:

I am sorry for the delay in replying to your letter of the 11th instant, but I have been out of town much on speaking engagements.

The courses 31M, 32M, 33M and 34M, as you know, are offered for two hours credit, and are activity courses for majors in physical education designed to develop skills. The classes meet five times a week. Both written and practical examinations are given in these courses, and we consider them to be academic courses for our major students.

I trust that this explanation will clear the matter up for you.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
