Rev. R. A. Hunt,

Lawrence, Kansas.

Dear Dr. Hunt:

Curtice Jenkins, one of our physical education majors, would like to have a summer camp position. His home is Higginsville, Missouri, and he played under Gwinn Henry at the University of New Mexico. He has also played a year here. He wants to get a job in some summer camp for experience.

I wonder if you could tell me what chance there is for him to get on at Cheley Camp. I know Mr. Henry would recommend him very highly. He is a fine fellow.

I would have Jenkins go down to see you, but didn't want to bother you until I knew more about it. I am just leaving for New York, and imagine you are at the Methodist Conference. I thought it would be easier to get a letter on your desk than to try to call you during these busy days.

With best wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
