Mr. Balfour Jeffrey,
National Bank of Topeka Building,
Topeka, Kansas.

Dear Bal:

I am wondering if you have been able yet to do anything about the speaking date at the Topeka High School.

There was a method in my madness in asking this, and I am very sure I can put it over. I know that I can sell myself in a physical education way, without trying to boost our program here at the University.

Don't go to any extreme measures about it, Bal, it isn't that important. I am speaking at high schools all over the state, and I felt we could derive some benefit by appearing at the Topeka High School. However, I would not want to embarrass anyone.

It was good to see you at the Aggie embroglio.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
