Dr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

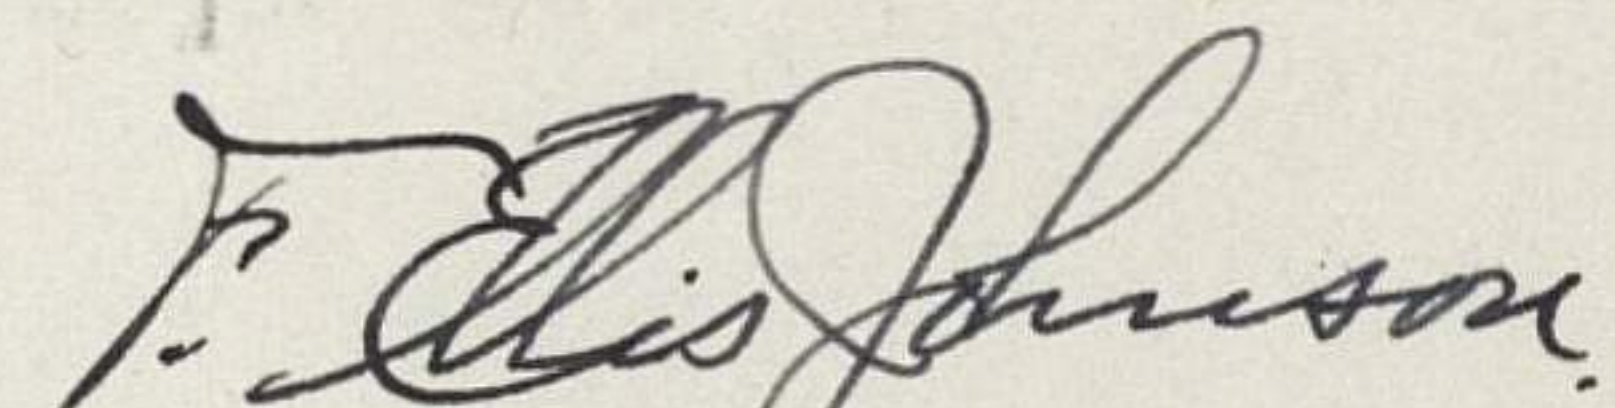

Dear Doctor Allen:

It has always been a pleasure to me to receive word from you because I feel that in each letter there has been evidence of the fine sportsmanship and loyalty which I have always felt marked your personality. I value, indeed, your good wishes and only regret that I have not been able to see more of you.

I shall look forward and hope that you may find it convenient to call upon me at Madison.

With personal regards.

Sincerely yours,

Dean
