Dear Sirs:

I am a student at Lincoln University, Jefferson, City Missouri, in the department of physical Education, and I am very much interested in your Department of Physical Education.

I am trying to get an idea as to how your intra-mural games are conducted. I ask this information for the use of making a tentative chart for my class room.

I would appreciate it very much if you would send me a copy of your Intra-mural handbook. I would also like to have a copy of your eligibility rules.

I am interested in knowing how to organize Intra-mural sports and the kind of competition to have among classes.

Thanking you in advance,

Very Truly, yours

James Jackson
