Mr. Kenneth C. Johnson,  
1130 Northeast 12th Street,  
Oklahoma City, Okla.

Dear Kenny:

We do not know whether you are living with the family or not, but this is one way to get word to you and let you know that we got your Christmas card and enjoyed it.

Congratulations to you and the good wife, and the Allen's wishes are that you will have many, many pleasant and prosperous years ahead. You know, when we saw the future Mrs. Kenneth Johnson we didn't know that Mrs. Allen's words were quite prophetic. She said, "Why don't you have a double wedding?" You know Mrs. Allen always was long on this sentiment stuff that rings the bell.

You and Bill are two lucky guys. Orchids to F.C.A. from the two wives for a compliment like that!

With best wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
