Coach Frank A. Jilka,
Parker Rural High School,
Parker, Kansas.

Dear Coach Jilka:

I received your kind letter this morning and immediately turned it over to Mr. Earl Falkenstein, our financial secretary. We are very happy that you are bringing your boys to see the Missouri-Kansas game Thursday night. Mr. Falkenstein will write you concerning tickets for your group.

Since our victory over Oklahoma and Nebraska, we have been swamped with orders for tickets for the Missouri game, but I am sure Mr. Falkenstein will do the best he can for you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
