In re: James Henry Johnston

I acknowledge your kind communication of the 8th instant enclosing contract providing for a course of training for James Henry Johnston in Treatment and Care of Athletic Injuries under my supervision. Both copies of the contract are returned to you herewith.

I have just had a communication from Mr. Johnston and he reports that he will be here next Monday, March 14, to begin his training. I will send you his progress report at the appointed time.

I am very glad to cooperate with Mr. Johnston, making him, if possible, a happier and more productive citizen.

Very sincerely yours,
