

November 8, 1937.

Mr. J. H. Johnston,
Box 331, Route 3,
Oklahoma City, Oklahoma.

Dear Mr. Johnston:

This will acknowledge receipt of your favor of the
4th.

I note that you were in Tulsa but failed to see
Victor Hurt. I am sorry that I did not emphasize the necessity
of seeing him before you saw any of the other people. However,
I am writing Vic a letter and sending you a carbon copy of the
same, and trust that this will help you out.

Let me know if I can be of any further service to you.
I am not exactly sure just when I will offer the training work
this next summer, but I will let you know.

The new book published by McGraw-Hill and Company, and
sold by Lowe & Campbell and most of the sporting goods houses,
will be \$4.00, and I am frank to say to you that in my opinion
it is worth it. It will be out about December 1. If I were you
I would get one of those and study the chapter on Treatment of
Athletic Injuries very thoroughly. Then when you should come up
to the coaching school you will be far ahead and it will be so
much easier for you to progress much more rapidly. A week is a
mighty short time to teach a fellow something that takes about
four years or more to get.

With every good wish, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
