THE UNIVERSITY OF NEBRASKA LINCOLN

DEPARTMENT OF INTERCOLLEGIATE ATHLETICS OFFICE OF THE DIRECTOR

September 20, 1937.

Dr. F. C. Allen, Director of Physical Education, University of Kansas, Lawrence, Kansas.

Dear "Phog":

Many thanks for the great interest you are taking in boosting our ticket sale. I received the check from your friend in Kansas City this morning and we are mailing the tickets.

In regard to taking care of the father-in-law of your daughter, Mr. Hamilton, we are mailing out three seats in the concrete stands. As you know, they cannot be very choice this late but we have done the best we can.

In regard to your second letter of September 8th relative to Gwinn Henry's request, our department has held very closely to the non-complimentary rule. However, it is exceptional when we have the privilege of entertaining two such distinguished gentlemen as Gwinn and yourself and we will be more than happy to entertain you. However, I do not feel that we should extend the courtesy to any except members of the department.

Best regards always.

Yours truly,

L. McC. Jones,

Director of Athletics.
